RE: Penn Traffic / RJR Contract Extension Summary

Dear Gentlemen:

Attached is the final draft that was presented to Penn Traffic's Roy Flood on 12-19-94. It includes the changes made by Tony Varde and Bruce Cook to our initial draft. I thank all of you for your cooperation.

At this writing the only unsigned Penn Traffic contract is Insalaco. Paul, Mr. Flood asks that you have your contact call him and they will discuss the further processing of this matter.

Warm Regards,

Neal
